

More than you expect. Exactly what you need.

WOOD CHAIR COLLECTIONS

If our chairs weren't among the best you could buy, we wouldn't stand for it.

Introducing the new Plymold Wood Chair Collections.

We've created a new line of wood chairs that make sure our customers can always find superb quality—and exactly what they need. And our new wood chair selections deliver more of everything:

- More selection
- More bold styles
- More competitive pricing
- More standard finishes—16 in all

We've even organized our chairs and stools into design collections to make it that much easier for you to choose the right chairs for your décor.

A lot about our wood chairs has recently changed for the better. But one thing that will never change is our ongoing commitment to the highest level of service in the industry.

Great service—before, during and after the sale.

Truly great service is easy to claim, but much harder to deliver. Plymold is known for high levels of service during every phase of the process, from design consultation to delivery:

- Expert assistance on product selection—from wood chairs to upholstered furnishings to contour seating to custom millwork
- Design capabilities to help you realize your vision
- A customer service team to assist you from quote initiation to product delivery
- Reliable, on-time delivery—a 99+% on-time shipping record

We understand that late deliveries, damaged product, incomplete or incorrect deliveries can all conspire to keep you from being open for business. That's why we make sure we provide you with exceptional service you can count on.

The only place you'll need to go to furnish the front of the house.

Plymold can deliver virtually everything you need for full front of the house service. Our one-stop, single source capability is a commitment that few other companies in our industry are willing to make. Partnering with Plymold means you not only have the best in the business working with you, it means you only have to deal with one point of contact. And that makes everything about your project a lot easier.

Plymold. More than you expect, exactly what you need.

We're proud of being well known for building the best contour seating. But that's not all we build. We can offer you a complete line of furnishings that include upholstered seating, trash receptacles, wood booths, outdoor furnishings, and even custom millwork. Plymold has the people and the production capabilities that enable us to design and build what you need to create and complete your décor.

Turn the page and take a seat.

We invite you to thumb through our new wood chair collections. Get some ideas. Find the seating solutions you've been looking for. It's all here—saddle seats, upholstered seats, wood backs, upholstered backs, matching stools, and more.

Club Collection

Discover the type of furniture commonly seen in club and fine dining environments. The chairs in the Club Collection offer a rich finish to any décor design. They're available in both upholstered and wood backs. And many of our Club Collection selections come in both solid wood seat and upholstered seat options.

Café Collection

Multiple back options and easy stacking make the Café Collection a great complement to any eating environment that wants to portray a sense of fun. It's the perfect choice for casual cafes, coffee shops and bars. The chairs in this collection are available in a wide range of upholstered seat and wood back finishes. The stools offer the choice of solid wood seat and upholstered seat options.

Vintage Collection

If your design concept is to recreate the style of an earlier time, the Vintage Collection is a perfect choice. Plain, unadorned backs, seats and frames create chairs reminiscent of the ones found in diners and family restaurants from times past. It is a basic, affordable option that delivers classic style. Most models offer the choice of solid wood or upholstered seats.

Pub Collection

If your installation calls for strong, rich looking chairs and stools—the kind you'd find in an old English pub—our Pub Collection is the perfect solution. Heavy wooden arms and legs, and a rolled back construction define the look and feel of this collection. Upholstered seats are available as an upgrade option.
