

Bench Unit Seating

Practical seating doesn't have to look practical.

Plymold created contour seating and we're well known for producing the best in the industry. We're proud of that reputation and we still build it better than anyone else. But it's not all we build.

Our Bench Unit seating (table, seat and frame) is a natural outgrowth of our contour expertise. It's the practical, affordable choice for all kinds of settings – business, industry, education and recreation.

- Variety of colors to choose from
- Heavy-duty steel frames and careful construction guarantee durability
- Simple, stable design provides easy maintenance
- Thoroughly tested to standards derived from ANSI/BIFMA

Industrial Bench Unit

BENCH UNIT SEATING

Plymold. More than you expect, exactly what you need.

Our dedication to designing and building only the finest furnishings includes selecting only the best materials; using exacting production standards; insisting on consistent quality control; performing thorough, continuous testing; and achieving an on-time delivery record of 99+%.

The people at Plymold who build our Bench Unit seating are highly trained, extremely passionate professionals who build value into everything we produce. Nobody builds better furnishings than our people.
