

CLUSTER SEATING

Plymold

More than you expect. Exactly what you need.

Cluster Seating

Our all-in-one seating is sturdy, affordable and easy to maintain.

Plymold Cluster seating features unitized construction that includes the frame, swivel chair heads and table top. This creates a great looking, durable choice for busy high traffic areas such as quick serve restaurants, C-stores, schools, industrial cafeterias, and other applications where a fixed seating plan is desired. We offer a wide selection of chairheads, table tops and frame styles to give you plenty of flexibility and versatility. Plymold cluster seating offers real advantages.

- Integrated chair, frame and table construction gives customers their own defined space
- Variety of frame designs address different access and space requirements
- Chairhead options include metal, wood and composite materials and seating colors and upholstery options
- Combination units can incorporate other types of Plymold booth seating
- Plymold design capabilities available to help you with your layout
- 5-year warranty on all frames

This is sturdy, affordable seating that's easy to maintain. Our designers have provided a rich selection of vibrant colors, seating and fabric options and visually interesting configurations,

including ADA compliant options. And the people at Plymold who build it have paid close attention to details that ensure our Cluster seating is your best choice.

Plymold. More than you expect, exactly what you need.

Plymold offers a complete line of furnishings that include cluster seating, wood booths, upholstered seating, outdoor furnishings, and custom millwork. Our people and our production capabilities enable us to design and build anything you need to create your décor.

We produce the very best furnishings by selecting only the best materials; using the highest production standards; insisting on consistent quality control; performing thorough, continuous testing; and achieving an on-time delivery record of 99+%.

Great seating that isn't constrained by space or budget.

Turn the page and take a look at our Cluster seating selections and our wide range of chair-head options. You'll discover integrated seating that's easy to clean, easy to maintain, and easy to create the look you want. It fits virtually any space you can imagine. Best of all, it comes to you from the best furnishings builder in the business. Plymold.
