

The distinctive contour selection.

A selection of stylish back options is what gives our Signature® seating series such a unique look. It's inspired by our industry-leading contour seating, which Plymold pioneered and perfected.

Incredible durability. Easy maintenance. Lower initial cost. Our Signature® series gives you a brand-new dimension to basic, no-hassle seating.

Our proprietary construction process ensures that you get the best possible seating that's going to stand up to year after year of use. After all, our Signature® seating has been thoroughly tested to standards derived from ANSI/BIFMA. And it fits beautifully into a variety of settings, including family casual dining, C-stores, schools, and industrial dining.
