

## Versatility meets durability.

Colorful. Comfortable. Constructed to last, no matter how tough the environment. Our UltraCourt® booth seating even gives you a lot of versatility to create the perfect seating for your decor.

- Wide selection of laminate surfaces
- Extensive selection of upholstered backs
- Choose end panels made with a laminate self edge or our exclusive Dur-A-Edge®

UltraCourt® is easy to clean, easy to maintain, and stands up to even the most challenging food service environments.

## Optional Dur-A-Edge® end panels make the difference.

Our Dur-A-Edge® edging stands up to the most extreme conditions. It creates a seamless, impact resistant bond between the edge and the laminate on the end panel. Nothing gets through — not food, liquid, or dirt. No chipping or peeling. Looks great for years.
