

The low maintenance choice for high traffic environments.

Plymold ColorCourt® is extremely durable and thoroughly tested to standards derived from ANSI/BIFMA, so we know it holds up under harsh conditions.

- Wide selection of laminate surfaces
- Choose end panels with a laminate self edge or our exclusive Dur-A-Edge®

ColorCourt® is easy to maintain, easy to clean and easy to keep looking great.

Optional Dur-A-Edge® end panels make the difference.

Our Dur-A-Edge® edging stands up to the most extreme conditions. It creates a seamless, impact resistant bond between the edge and the laminate on the end panel. Nothing gets through – not food, liquid, or dirt. No chipping or peeling. Looks great for years.
